

Time Zones

For online training offered by Wind University we have chosen to setup all trainings in UTC (Coordinated Universal Time)

If you are in doubt about the time zone, please use this converter:

[UTC Time Zone Converter](#)

Here you can convert the training start time into your preferred time zone.

Type in the start time of the training and press Convert, then you can see what time that equals in the chosen Time Zone you have chosen (in this case CET)
